Software MANHOLE STEEL WALL ARCHITECTURE Darn, I was really looking forward to seeing how this would work out. But it looks pretty good so far! Very nice start, and I love the added emphasis on the schematic parts. And you seem to know what you're doing, and it shows. I can't wait to see what the final product will look like! I have to agree with you; the only thing I can complain about is the images that are included in the preview, and the file extension they have. I understand what you're trying to do in a visual style, but I think the way you've implemented it is just plain ugly, and I would much rather be shown one side of a figurine than the other; especially when the front is how I'm gonna look at most of the time. But yeah, overall I think this is a really nice look! Keep it up man! Subject : reCAPTCHA and the Magic of Odds. The game of pool is a lot like life.
