Free Download.Brushstrokes Straddling the border between visual and design disciplines, Tim designed and produced this striking series of tiles to paint the walls of the gallery. Each 12 x 12 square measures just.16 of an inch thick, the work is created by applying color onto a ceramic tile and then cutting and gluing the resulting painted tiles together in varying patterns. The work on the walls consists of an abstract representation of the artist's subject matter, all forming a kind of'sculptural' assemblage that's displayed as a solo work or in a group.
